

## **Rates**

First appointment: € 150 (60 min.)

Following appointments: 80€ (60 min.)

Preventive medical check-up: once a year for all ÖGK, BVAEB and SVS insured people free of charge

Home visits: Depending on travel time and treatment

Diverse general medical activities: Depending on the type and duration of the activity

All services will be charged in cash!

Appointment cancellations - please not later than 24 hours before the appointment, otherwise it will be charged!

Reimbursement of costs - As an elective doctor, I am not in any contractual relationship with the health insurance companies and thus I am working as a private doctor. You have to pay the fee yourself in cash. The cost reimbursement varies and is up to 80% of what a doctor with a health insurance contract would have received for this treatment. Certain alternative and complementary medical services are usually not refundable.
